SW ABE (Adult Education) in partnership with Workforce (PIC), the Marshall School District & MN West offers FREE Certified Nursing Assistant training classes throughout the year.

We not only offer the training class, we make sure you have the skills you need to succeed in the training. You will need to register with our program, complete some testing to determine what skills you may need to improve. All students will need to complete some online tasks to prepare for the training.

The trainings are offered 2-3 times a year. We offer morning and afternoon class times. There is a class size limit so get the process started as soon as possible.
